A beautiful heartfelt romance

By Mae Clair

A DADDY FOR LUKE is a tender romantic story of two damaged souls connecting and finding their happily-ever after. Sandy and David are people you bond with easily even though they've faced (and continued to face) challenges most of us will never encounter. These two feel very "real." I was quickly caught up in their story and backgrounds. The author does a great job keeping the reader guessing about David's past, then resolving all plot threads neatly for a satisfying ending. This story would make a wonderful Hallmark movie!
