I highly recommend this for ACLS renewal review!!!!

By Crazy Mom

This is a great study guide for ACLS or renewal. I read all the practice questions the night before and received a 98% on the test. The analysis of each answer really helped me understand and retain everything. I have since shared it with co-workers when they are due to renew their ACLS.

Helpful tool

By Sam

This was a helpful tool to study for the exam! Only took off a star because it really bothered me that there were multiple typos. The SpongeBob theme was a little odd as well haha. All in all though, it was helpful and focused.
