Love Agatha!

By Lovin' Retirement

Agatha Christie and I go back to my teenage years (now retired), and I am so happy to be reading her again on my Kindle. I love pitting myself against Hercule Poirot. It's a classic whodunit, great plot...induction and deduction...no foul language and no gore. Great read!

Not my favorite Agatha Christie but still a good one

By Lindsay

I didn't realize this was one of her short stories until after I had purchased it. It's well - written but the ending is a bit abrupt. It was a good, quick read, though.
