Clean and perfect

By Dean J. Celotto

No matter what level chess player you are you'll appreciate this book. It is perfect, for the most concise well thought out instruction of chess theory there is no reason to look any where else. This book is a 10plus.

1 of 2 people found the following review helpful.

Old publication repackaged

By MJB

This is a classic book for beginning chess players. Although it was in a nice cover, the book was not reprinted. The result is not particularly attractive.

0 of 0 people found the following review helpful.

nice

By Tyan Sims

Love it..good research book
