Fun dictionary

By footballmom2010

What a fun dictionary. I enjoy just looking at the photos and seeing many words that relate to one topic. For example, if you want to know what various parts of a car are called, it's quite easy to see most of them on a few pages. Also, like the pictures of food with their names. I even recommended it to a French friend to help her with her English. It won't replace your regular dictionary, but it's a useful addition.

Given as a gift. I own the Spanish English dictionary by the same publisher and LOVE IT. The recipient loved her French version. These are not only great vocabulary builders, but also are fun just to sit and go through. Would highly recommend.

Great Learning Support... and a pretty good bathroom book.

By Tahiya

Awesome, fun to look at, discrete learning moments whenever you want, great clarity, the fact that it's photos is very helpful. Just genius support to learning without feeling like you're forcing yourself. They should make a series of posters you can hang on the wall until you learn each set of terms.
