Her talents are many and varied - her Spam Bourguignon has to be tasted to be believed, her poetry is unlike anything you will ever read and her childcare techniques legendary. And she manages all of this while carrying out her somewhat demanding wifely duties (especially on a Sunday morning). When not being a domestic goddess, literary marvel and carrying Stephen home from the pub, she likes to spend her time on Twitter (largely to keep an eye on her husband's fanciful announcements), where she won the prestigious 2010 Shorty Award for Funniest Tweeter. Do you, Edna Constance Bathsheba, take Stephen John Elvis to be your lawfully wedded husband? I did.

After many, many years of marriage and many, many children, I've decided it's only fair to share my unparalleled expertise and deepest secrets with you in my new book, *How To Have an Almost Perfect Marriage*. Of course, the 'him' to whom I refer is my current husband, Stephen. You may be aware of his numerous books, his countless television shows and his enormous intellect. You probably know he spends his time travelling endlessly, attending operas, meeting famous stars of stage and screen and visiting tribespeople in the remotest corners of the globe. That's if you read all that rubbish he writes on Twitter, anyway – honestly, that man's imagination!

If you frequent the Dog & Duck, however, you'll know the truth. Or the Red Lion. Or Kev's kebab van. Because that's where you'll almost certainly find him. Not dining at the Ritz or filming something about wizards in New Zealand and certainly not at home helping me take care of our five children. Or is it six? Actually, it might be seven now...

Of course, you can't realistically expect to have a marriage as perfect as ours, which is why I've called the book *How To Have an Almost Perfect Marriage*, but whether you're a husband-, wife- or divorcee-to-be or just simply Fry-curious, you'll learn everything you need to know, and quite a lot you don't, about the most wonderful years of your life as these nine chapters guide you through every aspect of marriage from proposal to divorce, enhanced by my own candid diary entries, incomparable poems and world famous mouth-and eye- watering recipes...

Hilarious advice for the Hitched!

By L. A. Adolf

The long suffering "Mrs Stephen Fry" has finally written her magnum opus--on a subject she knows very well, the wedded state. She outlines both the joys and pitfalls of matrimony incisively and with great wit and self deprecating humor.

Anyone considering taking the vows of matrimony would be well advised to consult Mrs Fry's book early on in their search for a mate. She will prepare you for all eventualities; and may well convince you to think twice before giving up the single life.

Most excellent advice

By Gwenna

Edna Fry provides most excellent advice about marriage, from meeting a (near) perfect man through different aspects of the matrimonial journey and on to divorce. Her fine understanding of life and her husband, Stephen, serves as a lesson to all who aspire to an (almost) perfect marriage.

A completely wasted four dollars

By Murphy

I would never recommend this book to anyone. It seems like it was just written to meet some obligation or deadline. Not clever, not witty, not entertaining....a complete disappointment!
