The Dad's Can Rock Out!!!

By dukeofmartin

My friend recently has wanted to start a "Dad's" band for fun while the kids play in the backyard. I was chosen to play the guitar and decided to read this book on learning to play the guitar. Ever since I was young I have always wanted to be in a small band and rock out on the guitar or bang the drums. However, I have no musical talent or a lot of money for a teacher so I decided to purchase this book to help me out. I was beyond shocked when I read the book, practiced, and saw and heard that I actually could play some basic songs. We are now playing songs for our kids and using the books we bought for teaching how to play guitar, drums, and piano to our children. This book has made it possible for us to have fun not only with us guys but our children as well.
