By LoveMySkin

I found this book by using Google search engine. I was googling 'soul ties, familiar spirits' and was able to read a sampling of this book. It really was God's timing to find this book, it was giving me the answers of exactly what I had been searching for. I could only read a small sample but it was enough to make me want

to order the book. I came here and ordered it. I think I read it in 2 days. It covers EVERYTHING my family struggles with, from alcohol abuse and broken marriages to demonic possession. I am a born again believer and the Lord needed me to get this book. It is INVALUABLE. Amazing and the anointing of the Lord is on this author. This book will be kept in close proximity to my bible. It is a wealth of knowledge for the Believer in Jesus.

I first purchased this book as a hard copy someone's borrowed it and never returned it so downloading it on my Kindle saves me from losing it again. I purchased other books on spiritual warfare and they were over my head for where I was in my understanding but this book made it simple to understand and it trained my thinking. Coupled with Dr. Nelson's training sessions it has equipped me for Warfare. I refer back to it often when I have questions or when I'm researching a specific demon and when I know I'm about to encounter warfare. A must have for all who will fight in this part of the battle.
