MEMORIES OF UNDERDEVELOPMENT BY EDMUNDO DESNOES, AL SCHALLER PDF

A blistering examination of cultural and political underdevelopment set in the Cuban revolution, this classic Cuban novel was originally published in 1965 and was promptly adapted to film. Malabre is a prosperous Havana businessman whose wife, family, and friends flee in the aftermath of the Bay of Pigs. He remains behind to confront his ambivalent feelings about the revolution and his dissatisfaction with his own life.

Is the revolution successful?

By Carole McMahan

I was a little puzzled why this book was suggested for the lecture series I was taking. But when the ambiguity of the revolution I sensed from the story was explained, I was very happy I had read it, as the book actually opened up a "space" for Cubans to evaluate the "success" of the revolution.

Verbal whirlpool

By TFD

"Memories of Underdevelopment" is not the critique of Castro's economic program that I expected from my ignorant reading of the title; it is a remarkably written, complex adventure through the soul of man living through a unique and challenging time. The brilliantly crafted words and sentences are much more than artifacts of writing talent, they serve as a verbal whirlpool to connect the reader with the narrator, and carry us through the struggles of living to face the starkness of imminent death.

What a way to experience the Cuban Missile Crisis almost a half a century later.

Tom Dehel

Bay of Pigs, Blood of Cuba

No thanks...

By Don N

I thought this was a book about Cuba-to some extent anyway. I couldn't wait to finish it. Don't waste your \$ on this thing.
