Good companion for spicing up player interactions with the world

By KM

Good companion for spicing up player interactions with the world, by adding in the underhanded side of societies. Has plenty of information for building your own black market, complete with secret signs and DC checks to locate the criminal underworld. Lots of fun to add into any city/settlement experience.

great overall content for Dungeons and Dragons

By Ashley M Mathews

great overall content for Dungeons and Dragons, my brother is a DM and really loves these for creating quests.
