The Little Big Step

By Amazon Customer

Simplicity is beauty in this little gem that speaks volumes. My ego didn't like it much as it's shenanigans were gently exposed page by page. Letting go and letting God sounds like an easy step which has made the new age movement famous and the churches wealthy by putting ego on the throne for a very long time. This series of pamphlets came along just when I needed them and have convinced me to finally find a sponsor to work with. I have fired my ego as both sponsor and 'god' and it is not very happy about my decision. I thank the writer/writers for these concise and powerful tools and insight into the steps. Thank you thank you thank you.. Bill B

The Agnostic

By Allen Morrill

To say the least this reading for sure helps you find answers to your question on what "YOUR" higher power is. I strongly recommend this to the struggling people who are in need of the guidance of "THEIR" higher power!

A Higher Power or not?

By Amazon Customer

In conjunction with the Big Book this booklet adds more explanations to the road blocks to recovery. As an alcoholic it is no longer possible to rely on 'self' to make the right decisions, so a 'Higher Power' needs to be called upon to help. Great discussion on 'becoming willing'. A great adjunct to understanding the program.
