Built upon the latest advances in behavioural psychology, The 30 Habits presents an introduction to a clear description of the essential behaviours that are the bedrock of successful living.

Success is the grand prize of life and success does not appear by accident.

Our attitudes, our actions and our behaviours are the very foundations of our future lives.

And now it's possible to follow the habits of countless highly successful and happily fulfilled individuals who have shared the secrets of living a life that is complete and filled with abundance at every level.

These essential methods and principles can be learned and assimilated into our daily experience and can reveal our true potential for enduring success and happiness.

The 30 Habits of Living a Successful Life gives you the keys to

Unleash the potential of your perfect vision of the future

Activate the subconscious power of your latent creativity

Learn how to tap into your deeper mental resources

Discover the secrets of wealth creation

Create your personal vision for a magnificent future

Tune in to your inner capacity for peace and harmony

Build an income for life

Refresh your relationships

Let go of the dead weight of the past

Recharge your energy levels

Sleep deeply and wake up feeling refreshed and ready for the day

Pick up the reins and take control of your life

This is your Personal Master Plan for putting you in control of your life, paring away the old, redundant habits that used to block your capacity to achieve your goals. A full spectrum approach to marshalling your resources and identifying your potential for a fully expressed and joyous existence.

A wide-ranging exploration of the most effective habits and behaviours for achieving real success. An initiation into the secrets of channeling the hidden power of the unconscious and driving your life with focus, purpose and determination.

This is a scientifically-backed wake-up call, a step by step programme for introducing powerful behaviours into our lives that can lead to a dramatic shift in our attitudes and our perceptions.

Following the examples of highly successfully yet deeply well-balanced individuals,

The 30 Habits for Living a Successful Life explores the beginning stages of the full concept of material achievement whilst recognising the importance of inner peace and balanced relationships.

Can we really have it all?

The clear answer from the exciting research into the fascinating area of cognitive behavioural psychology is -

'Yes. We can!'

Experiencing the gifts of a fulfilled and successful life has always been an elusive principle, a blessing seemingly reserved for the fortunate few.

But that outdated concept has been completely overturned by research that confirms that we really can learn to be more successful, more fulfilled, more complete as individuals and more open to the opportunities that surround us every day.

If you feel that your life is missing something and that you suspect that there could be so much more to your daily experience, The 101 Habits provides a treasure house of wisdom and practical methods to transform your life and put you in touch with your real potential.

Designed to be followed either in sequence or as a perfect companion to consult whenever you face one of life's inevitable challenges, The 30 Habits are a constant reminder of what is truly possible in this life. It's a well-charted pathway to personal fulfillment and the manifestation of your dreams.

The habits and behaviours have been gathered from a wide-ranging body of scientific research, focusing on individuals who have achieved significant success in their lives as well as high levels of personal happiness.

Now those principles are available to anyone seeking a better expression of their potential for happiness and sustainable success.

Excellent book.

By Rosemaiden23

Excellent book. This book is well written and keep you wanting to know the different technique to be successful. The author put a lot of thought and research in writing this wonderful book. Every goal you set needs to be measured and get in the habit of never leaving anything that you wanted to finish at the beginning of the day, incomplete at the end If you simply do what you set out to do. Reading a good book will get a creative flow, learning more things and your knowledge base growing. I'm very glad that this book is free and it's very helpful to set up my life plan to be successful in my life.Highly recommend this book.

Great read with habits you can apply today!

By Bryan Oliver

The author provides clear, succinct and very useful habits that anyone can follow. I especially like the habits on focus, visualization, and in particular, Feelings - Taming our emotional habits. This piece was a great view into emotional intelligence. This author continues to produce excellent quality books with great advice that one can apply immediately.

Easy Read

By Kevin L Cann

Book was a very easy read. It repeated many things I have read in other books. Reading through it once was enough for me.
