Max Leokov has watched the people around him find love.
At one point in life, he not only wanted that, but lived for it.
He loved once. He loved with all his heart.
His heart broken, he was left to care for his young daughter.

He deserves a second chance.

Helena Kovac has spent years studying.
She has worked her ass off to get her degree.
She doesn't have time for love. Hell, the thought of messing around gives her hives.
Books and work are her life. Everything else comes second.

When Max and Helena join forces to help his daughter, Ceecee, they are shocked at the spark between them.

A cynic.
A workaholic.

A friendship neither expected.

When love hits, it hits hard.

I am sure most of you will love it

By Sofia Lazaridou

I wish I had read the previous books before i started reading this. I have a feeling I would have been more "comfortable" with this book. It saddened me that I hadn't read the other books because Nat and Ash and Tina and Nick seemed great and I wanted to see how they got their happy endings.

I felt at least in the beginning more outsider than I usually feel when I start a new book. The bond between Nat and Helena is unmistakable, but it took me a while to get used to the way they were expressing their love for each other.

Max and Ceecee were very cute as a father and daughter. I would have loved to see them in more a father and daughter moments.

As for Max and Helena I am not sure how I feel about them. Heck I am not sure if they knew how they felt most of the time. Max was saying things like "you are my girlfriend" and "this is forever" and later he was getting cold feet. Helena gave off the same vibe as Max did which is the I-want-a-relationship-with-him/her-but-at-the-same-time-I-don't-want-to. I think they were more confused than I was

Loved this Romantic Comedy Book!!! Decadent!! Sweet! Fun!! Funny!! And filled with so much Cupcake LOVE!

By Ms.Meesh

Belle Aurora...thank you for writing such an adorable, sweet, fun and sexy book!!! I could not stop laughing and smiling while I was reading Sugar Rush. Truly it was a gem that gave me a warm fuzzy feeling of love. How could you not love a book that had a group of closely knit friends who treats each other like family. And then to top it off, a story that chronicles two friends becoming lovers. Belle Aurora, you have definitely figured out what makes a great romantic comedy. All I can say is that Sugar Rush had a perfect blend of ingredients. This book had consisted of 2lbs of love, 1lb of humor, a pinch of drama, 2 spoonfuls of sweetness, 6 tablespoons of friendship, 1 zest of tenderness, and 1 cup of romance. Mix all those ingredients up and you got yourself a Sugar Rush!!!
