However, with this soft data, you can delight in checking out in the downtime even in the spaces of your works in workplace.

THE AMERICAN WAR: A HISTORY OF THE CIVIL WAR ERA BY GARY W. GALLAGHER, JOAN WAUGH PDF

"Easily the best one-volume assessment of the Civil War to date." - William C. Davis

In *The American War*, renowned historians Gary W. Gallagher and Joan Waugh provide a fresh examination of the Civil War, its aftermath, and enduring memory in a masterful work that prize-winning historian William C. Davis calls, "easily the best one-volume assessment of the Civil War to date."

By investigating this crucial period through the eyes of civilians, celebrated leaders, and citizen soldiers, readers interested in the Civil War era will gain a profound understanding of the dramatic events, personalities, and social and economic processes that caused the war, enabled the Union to prevail, and forever transformed the United States. It also will help readers understand why, more than 150 years after Appomattox, it remains impossible to grasp the larger sweep of U.S. history without coming to terms with the American War.

Praise for *The American War: A History of the Civil War Era*:

"The authors have written a succinct yet detailed and eloquent history of the conflict that preserved and reshaped the nation in ways that continue to affect us today." - James M. McPherson, author of *Battle Cry of Freedom*

"It is hard to see how any one brief volume could better deal with this vast subject. Gallagher and Waugh know all there is to know about the Civil War and manage to convey that knowledge with balanced judgment, engaging quotations, up-to-date scholarship, and humane insight." - Edward L. Ayers, author of *In the Presence of Mine Enemies: Civil War in the Heart of America*

"Readers will find therein exactly what one might expect from a book authored by the prolific historians Gary Gallagher and Joan Waugh: a well-written and comprehensive synthesis of the war and its aftermath." - Christopher Childers, *Civil War Book Review*

Great starter for anybody interested in the Civil War

By Woo Young Kim

The American Civil War is not only an interesting and fascinating topic to study, but also a difficult one to get into. While many of us probably heard a little bit about the Civil War during highschool history classes

through textbooks, we likely only remember that the Union won, the Confederacy lost and that slavery was abolished; that's the most important part teachers tell us, right?

However, the American War is a great book for any historians or Civil War buffs to learn the very base of the Civil War. Most books regarding the Civil War are too thick, too difficult and too boring for starters. The American War does not only read easily, but contains a wealth of information explained in a simple manner for ordinary people to understand. I would recommend this book to anybody who wants to learn the basics of Civil War.

For college level students or adults who want to enter the realm of Civil War history, this will be a great base for their further studies.

An in-depth look at a comprehensible level

By Theodore Hynes

Very well written book on the American Civil War that not only presents the war itself but gives an in-depth look at the people, rich and poor, black and white, men and women, free and slave, American and Immigrant, and so on. It is different because it is written in such a way that I can use it even in the high schools. Brilliant collaboration and I look forward to the possibility of future works.
