THE DEMON IN THE WOOD: A DARKLING PREQUEL STORY (THE GRISHA TRILOGY) BY LEIGH BARDUGO PDF

Before he ruled Ravka, before he was the Darkling, he was just a lonely boy with an extraordinary gift. In this prequel story to the New York Times-bestselling Grisha Trilogy, Leigh Bardugo takes us into Ravka's mysterious past, when Grisha lived as fugitives and the Darkling took his first steps on the path to power. Discover new territory in the Grishaverse, as well as two chapters from the soon-to-be-released Six of Crows.

Flawless! Fans of the Grisha series, **READ THIS NOW!!!**

By Cristie

Yes, The Demon in the Wood is too short. But, it could be 1,000 pages and it still wouldn't be enough for me. Leigh Bardugo forever has a place in my heart simply because she created Aleksander Morozova aka The Darkling. He's one of the most fascinating characters and I instantly connected with him, even though he is the antagonist. I just loved him so so much!

This novella is perfection. I loved the tiny glimpse into the painful childhood of The Darkling and his relationship with Baghra. While it doesn't spoil the plot of the series in any way, this book most definitely adds to the overall story and made me sympathize with Aleksander even more. It made me second guess my assumptions from the three main books.

The writing is flawless. The characters are thoroughly developed. I'm very impressed that Ms. Bardugo was able to convey such emotion and depth in so few pages. Fans of the Grisha series, **READ THIS!!!**

If you've never heard of the Grisha series, start here: Shadow and Bone (The Grisha Book 1).

The Demon in the Wood: A Great, But Too Quick Read

By Kimball Dawes

The Demon in the Wood captures the spirit of the Grisha books but shows her maturing skills as a writer, meaning she's gotten even better. This short story is about the humble beginnings of the Darkling. Readers know it's a short story going in, but you're still left wanting more anyway! She is not planning on expanding this storyline, at least not any time soon, which I get, but it's still a little disappointing. That's why I gave the four star rating.

Last week, at the invitation of my daughter, who is an uber-fan, I got to hear Ms. Bardugo in person as she tours for her new book, *A Six of Crows*. She is a lot of fun to listen to, very approachable, very down-to-earth, and very gracious, despite some health issues, and even when faced with a mob of her adoring, and sometimes annoying, fans and their questions.

If you ever get the chance to see Ms. Bardugo on a book tour or at a writer's convention, go and listen to her. You'll be glad you did.

Great insight to the Darkling

By A History of Books Blog

I was really excited to read this because I had just finished the Grisha series and wasn't quite ready to let go. This is a short story about the Darkling before he was the Darkling. When he was just a little boy and learning about his powers. I didn't feel like it added much to the story, but it did provide some insight to the relationship between the Darkling and his mother. Its more of a sad tale of a little boy who never got to know real friendship or even get to really play as a child. It shows you just how the Darkling became so.. dark.
