“Yes,” he agreed. His cock was large and ugly and veined, its girth bigger than the fingers he’d pushed into her, almost as thick as his wrist.

“And you’re going to put it in me.”

“Yes.”

She whimpered. “You’re going to split me asunder.”

He pressed forward, and the heavy tip of his mushroom head began to push into her. “Yes.”

Sexy twist on an old fairy tale

By greenfeather86

This is a rewriting of the fairy tale about the troll under the bridge. Only in this story the troll is not a villain, but a noble yet lonely hero. When the object of his desire (a beautiful maiden) wants to cross his bridge but can't pay the toll the story becomes very sexy indeed.

It is well written, and a sweet love story with hot sex. I don't think you can ask for more from a short story!
