highly enjoyable. A must read

First off I have to say, please don't let this be the end! There is so much more story to be told. Slade and Chelsey now have a child that every one is going to want to control. We have vampires and lycans and the possibilities are endless. I promise you that you will not be dissatisfied with the characters or the story that this author has spun.

Great Series, please write more

By elizabeth m sinatra

I enjoyed the series very much but I wish it would continue because Chelsey and Melody never got their revenge for their family. their weddings should have been added to the story. Also there could be so more added to what became of Chelsey and Slade and their daughter. Also Melody and Liam need their own story, what happens next does she turn into a Lycan? Please continue to write more as I will love to read more about these characters. thanks for the great read
