This timely book explores the complicated world of romantic relationships and offers a comprehensive analysis of situations that lead to the breakdown of relationships and marriages. It examines the origins of love and hate and reviews several psychodynamic theories as well as modern research findings in an attempt to understand the complexities of human behavior and emotions as they influence romantic relationships. The book describes various mental conditions, sexual disorders and personality types and explains the roles such conditions play in romantic relationships. Several actual case examples are presented, and chapters on abusive relationships, marriage, divorce, cohabitation, and romantic relationships among gay men and lesbians are included. This book provides ideas and tips that can help individuals struggling with relationship conflicts learn from past mistakes, move forward beyond their disappointment, and look toward a new beginning of a successful relationship. This book can also be a useful resource for psychotherapists and couple counselors as they work with their clients.

## Most helpful customer reviews

1 of 1 people found the following review helpful.

A must read for all relevant Relationships!

By Kimberly Dorsey

I found this book to be vitally informative, with many essential tips for people whom have been married or are in a serious relationship. It also includes gay and lesbian relationships and is intuitively riveting. Dr. Asaad is brilliant and my husband and I learned a lot from reading such an inspiring book! I recommend it highly, and without reservation. It is a must read!

Furthermore, this Doctor has a vibrant and uplifting personality. I sent this book to my close friends and they are all grateful. There is always something new to learn to improve our relationships. Dr. Ghazi Assad should be on Oprah's Own network as he brings rays of sunshine into peoples lives!!

Sincerely,

Kimberly Dorsey, BFA, CDA, MA
