It is a quite economical and reachable point to acquire Without Annette By Jane B Mason Yet, keeping that really cheap thing, you could obtain something brand-new, Without Annette By Jane B Mason something that you never ever do as well as enter your life.

From School Library Journal

Gr 9 Up—Josephine "Josie" Little has been looking forward to attending Brookwood Academy, a prestigious boarding school in rural Connecticut, with her girlfriend, Annette Anderson. She feels she has saved Annette from her alcoholic and abusive mother, Shannon, in their hometown of Virginia Falls, MN. While Josie struggles to adjust to Brookwood, Annette fits in with Rebecca (Becca) Ryder, Marina Carlisle, and Cynthia Wu, whom Josie refers to as the Soleets (social elites). Annette's quest for acceptance prompts her to keep her same-sex relationship with Josie a secret from the Soleets and the other students. While Josie agrees to the arrangement, Annette pushes her further and further away for recreational peer pressure moments with the Soleets. Meanwhile, Josie befriends Roxanne Wylde, her off-beat and acerbic roommate, and Penn McCarthy, a boy who harbors romantic feelings for Josie. Annette's self-destructive quest for acceptance causes an unexpected medical emergency, which throws a monkey wrench into Josie and Annette's clandestine relationship. Mason has woven a smart and witty debut YA novel. All of the characters are multidimensional and well delineated. Josie and Annette are not an idealized LGBT couple. The Soleets are not depicted as Mean Girls. Penn's friend Sam Moon pokes fun at the prevailing stereotype of Asian Americans as the model minority. The author also works in strands of anthropology, which plays a pivotal role in the backstory of Edward Hunter, a former Brookwood Academy student and promising science genius who died mysteriously in the boiling room 50 years before. His backstory intertwines Brookwood's past with Josie's present. Mason will shock readers with unexpected twists and turns and surprising reveals. VERDICT Recommended for readers who enjoy character-driven stories about identity and acceptance.—Donald Peebles, New York Black Librarians Caucus

About the Author

Jane B. Mason lives in Oakland, California, where she spends her time adjusting to her teenage children, open water swimming, and writing. Her most recent titles, written with Sarah Hines Stephens, include *A Dog and His Girl* Mysteries and the Candy Apple titles *The Sister Switch* and *Snowfall Surprise*. *Without Annette* is Jane's YA debut.

Besides this book [Without Annette By Jane B Mason](#), you could additionally find hundreds listings of the books from several sources, collections, authors, and writers in worldwide.

WITHOUT ANNETTE BY JANE B MASON PDF

Josie Little has been looking forward to moving halfway across the country to attend Brookwood Academy, a prestigious boarding school, with her girlfriend, Annette, for ages. But underneath Brookwood's picture-perfect image lies a crippling sense of elitism that begins to tear the girls apart from the moment they arrive. While Josie struggles to navigate her new life, Annette seems to fit in perfectly. Yet that acceptance comes with more than a few strings. And consequently, Annette insists on keeping their relationship a secret. At first, Josie agrees. But as Annette pushes her further and further away, Josie grows closer to Penn, a boy whose friendship and romantic feelings for her tangle her already-unraveling relationship. When Annette's need for approval sets her on a devastating course for self-destruction, Josie isn't sure she can save her this time-or if Annette even wants her to try.

dont waste your time on this book its has no plot

By Spaz1

I dont think this author knows what it like being in love and have someone you love have problems. Because the main protagonist just gives up on her GF, I was hoping the book was more about the lesbian coupls and them fighting to keep there relationship going in a new place instead it was more on the stupid tunnels and shaken head.

funny, heartbreaking look at navigating first love and loss

By another constant reader

This book is a clear-eyed, funny, heartbreaking look at navigating first love and loss. Thank you to the author for placing a lesbian couple front and center in a young adult novel. The boarding school details are spot on, and each character is portrayed with humanity. With respect to the sensibilities of an earlier commenter, the stolen kiss scene is handled beautifully and has nothing to do with "assault." It's more about the bewildering and confounding time in a young person's life when being attracted to the wrong person is terribly painful and marked by wrong moves and yearning and clumsy apologies-- in other words, adolescence. Don't let the themes scare you off-- this is a fast-paced and fun read that packs an emotional punch.

Wonderful YA Debut!

By RedReading

Without Annette is a fresh coming-of-age story that explores that super-charged moment in time when we leave the things that have thus far defined us (family, home town, high-school) and start to come up with our own definitions. Josie's moment is extra complicated by the fact that she's stepped into a world of rigid definitions (boarding school) and she's brought her struggling girlfriend along with her. The boarding school setting, honest characters, and reckless behavior kept me turning pages. The truths about discovering who you are and the impossibility of saving other people were thoughtfully told and left me satisfied. A great read.
